

# ITZY, In the morning

shhhhhh  
guess who loves you  
it's me, me  
do i show you  
no it's a no!  
It;s not the time yet

Closer a little bit closer  
And tehn i do a 180

Imma steal it  
I steal your heart  
You are gonna love me  
I am the type who shows the teeth  
When it's time  
Even when we make an eye contact

It doesn;t shake me  
No!  
If it's a sin to love you  
The culprit is who?  
You'll never know

Baby you're confused  
confused  
you're confused  
you;re gonna be mine at the end  
you are  
now's finnaly  
finally the time to choose  
it;s the nighttime already

i am the Mafia  
ma ma ma mafia  
we do it like a mafia  
ring dong dig  
i am the Mafia  
ma ma ma mafia  
we do it like a mafia  
ring dong dig
