

ITZY, WANNABE

the nagging
stop it I got this
whatever I be
it's up to me
so please

I do what I want
can you just leave me alone
whatever I live a normal life or not
it's me who lives this
cause it's my life!

I am so bad, bad
I'd rather be selfish
hundred times better then pretending to be nice and getting hurt

I am just on my won
don't interfere, no, no!
I might just say it
mind your own business

no matter what they say I am me
I just want to be me
I wanna be me, me , me
I don't have to be anything , because I ma perfect when I am myself
I wanna be me, me , me
I don't wanna be somebody
just wanna by me, me , me
I wanna be me, me , me
I don't wanna be somebody
just wanna by me, me , me
I wanna be me, me , me

Everybody /3x
touching me
all eyes on me!
do this, so taht , alla re dishing out something
don't touch me!
yeah /5x
it's me who takes care of myself
I'mma do my thang
just do your thang
cuz I am the one and only

people love to talk about others
why do you care so much about others' lives
hay, I am sorry but could you leave me alone
it's none of your business
I do my own business

no matter what they say I am me
I just want to be me
I wanna be me, me , me
I don't have to be anything , because I ma perfect when I am myself
I wanna be me, me , me
I don't wanna be somebody
just wanna by me, me , me
I wanna be me, me , me
I don't wanna be somebody
just wanna by me, me , me
I wanna be me, me , me

no matter if you love or hate me
I wanna be me!

one and only me
if you feel me, turn this beat up
I wanna be me, me me
