

Iza Lach, Hello I'm Ready

Hello I'm ready
Forever ready
To make love with you
It's all I wanna do

So come here baby
Don't let me wait
Let's do something true
After all that we've been through

I can't wait to hear your voice
Day by day I miss it more and more
I'm losing all my mind

I can't wait to see your face
I'm looking at your pictures everyday
Oh I love your smile

I'm doing it all the time
I'm missing you every night
And I can't, I can't, I can't stop
