

# Iza Lach, I can feel U

Let me open this door for you  
Now you're waiting outside  
And I can feel you.

Let me offer you all my love,  
You've been away for so long  
And I've been missing you, oh.

I've seen it all, and lost control  
Please come to me, I want you here.  
And say, let go your feelings  
I wanna full fill your dreams.  
Please let me be a promise  
I'll never leave.

Let me open this door for you  
Now you're waiting outside  
And I can feel you.

Let me offer you all my love,  
You've been away for so long  
And I've been missing you, oh.

And say, let go your feelings  
I wanna full fill your dreams.  
Please let me be a promise  
I'll never leave.

Let me open this door for you  
Now you're waiting outside  
And I can feel you.

Let me offer you all my love,  
You've been away for so long  
And I've been missing you, oh.
