

# Iza Lach, UNDECIDED (FEAT. SOOPAFLY)

I see you standing  
Behind the close door  
Are you afraid of me?  
Or is it just the way of showing me  
That you don't want  
This is insane  
We both know what cost it  
It's our constant play  
Instead of constant say it  
You're the one I love the most

Damn  
Damn  
Damn  
Damn

I see us walking alone  
It's just a matter of time  
It's just what everyone wants it just be  
I'm UNDECIDED  
Our hearts can't be so wrong  
When all feel so right  
It's just what everyone wants it just be  
I'm UNDECIDED

Damn  
Damn  
Damn  
Damn

It's all clear  
That this is unfold  
Don't matter how we say it  
Don't matter when we say it  
It's still for us unfold  
This is insane  
We both know what cost it  
It's our constant play  
Instead of constant say it  
You're the one I love the most
