

J Bigga, I Hate Jeffree Star

Stop asking "Jeffree whore me"
I know you all adore me
But I'm more then just a pretty Myspace page
Although I'm almost 40
And my lisp is hella corny
I know ever twelve-year-old in cyberspace
So if you suck my ding a ling
I'll post you in a bulletin
And you can have a taste of Myspace fame
Commence with the cheesiness
This beat is just fabulous
My boyfriend made it and he's only 8
Stop asking "Jeffree whore me"
Stop posting "ADD ME ADD ME" on my page
Stop saying "Jeffree whore me"
I'm more then just a pretty Myspace page
Look what my daddy bought me
A record deal from Sony
How come people laugh at me when I take the stage
Casio beats? We got that!
This beat's synonymous with phat
Don't you want a tattoo of my name?
Computer nerds are introverted
I'm out going and perverted
I'll write you back if you're under age
Fans? Who needs those?
It's not about the music
You can watch me wearing womens clothes all day!
Stop asking "Jeffree whore me"
Stop posting "ADD ME ADD ME" on my page
Stop saying "jeffree Whore me"
I'm more then just a pretty Myspace page
Stop asking "Jeffree whore me"
Stop posting "ADD ME ADD ME" on my page
