

# J. Holiday, Thank You

Girl its my pleasure to do whatever, whatever you like  
And if you say it i will do it all night  
You got me screaming my my my my ... baby  
Girl i want you to know  
If i wined you and dined you would you wake up in the morning in my bed  
Dont you tell me no

[Chorus:]  
From the bar to the car  
We aint got that get that far no  
To the boom boom room  
Got something for you  
So hop off in in this tub  
And show your boy some love  
Baby i just wanna thank you  
Girl i want to thank you for a lovely evening  
I want to thank you for the time we spent

Show my appreciation i want to bang your back untill the morning comes round [2x]

I wanna take my time and put my face in and places it for  
Thats gonna blow your mind  
And what im going to do to you aint never been done to you and  
Im gonna put my name on it  
Got screaming different languages girl  
While were making love all around the world in france its j'adore in spain its mi amor  
At the crib we on the floor  
I just want to take you

[Chorus 2x]

I know that you want share love with me

[Chorus 2x]
