In the middle of the night by the light of an Arab moon
They say that you can see him stompin' up and down the dunes
He's a big raunchy cat but he swings right along
Groovin' to the beat of a Nashville song uhhuh oh yeah
Talkin' bout Humphrey the Camel

Everybody digs Humphrey the Cammel come see Camel Humphrey the Camel
But he's a body jumper a real hip humper talkin' bout Humphrey the Camel
Down at the Oasis the Arabs were pickin' their dates
They're goin' to a party out at the Sultan's place
There's a camel named Camelia and Humphrey's gonna bring her
One big drink and he's a seven day swinger uhhuh oh yeah
