

# Jack Greene, All The Time

All the time yes darling all the time tenderly constantly I'll love you  
Every day I'll prove it every way in happiness or in loneliness I'll love you  
Other arms may tempt me but don't let that bother you  
For even if they tempt me I'll never be untrue  
All the time yes darling all the time  
Through the years through smiles or tears I'll love you  
Other arms may tempt me...
