

# Jack Greene, Honey

See the tree how big it's grown but friend it hasn't been too long it wasn't big  
I laughed at her and she got mad the first day that she planted it was just a twig  
Then the first snow came and she ran out to brush the snow away so it wouldn't die  
Came runnin' in all excited slipped and almost hurt herself and I laughed till I cried  
She was always young at heart kinda dumb and kinda smart and I loved her so  
I surprised her with a puppy kept me up all Christmas Eve two years ago  
And it would sure embarrass her  
When I came home from working late cause I would know  
That she'd been sittin' there and cryin' over some sad and silly late late show  
And honey I miss you and I'm being good and I'd love to be with you if only I could  
She wrecked the car and she was sad and so afraid that I'd be mad  
But what the heck  
Though I pretended hard to be guess you could say she saw through me  
And hugged my neck  
I came home unexpectedly and found her crying needlessly in the middle of the day  
And it was in the early spring when flowers bloom and robins sing she went away  
And honey I miss you and I'm being good and I'd love to be with you if only I could  
Yes one day while I wasn't home while she was there and all alone the angels came  
Now all I have are memories of honey and I wake up nights and I call her name  
And now my life's an empty stage where honey lived and honey played and love grew up  
And a small cloud passes overhead and cries down in the flower bed that honey loved  
And honey I miss you and I'm being good and I'd love to be with you if only I could
