

Jack Greene, I Love You Because

I love you because you understand dear every single thing I try to do
You're always there to lend a helping hand dear
But most of all I love you cause you're you
No matter what the world may say about me
I know your love will always see me through
And I love you for the way you never doubt me
But most of all I love you cause you're you
[steel]

I love you because my heart is lighter every time I'm walking by your side
I love you because my future's brighter the door to happiness you've opened wide
No matter what may be the style or seasons I know your love will always be true
And I love you for a hundred thousand reasons
But most of all I love you cause you're you
