

# Jack Greene, Statue Of A Fool

Somewhere there should be for all the world to see a statue of a fool made of stone  
An image of a man who let love slip through his hands  
And then just let him stand there all alone  
And there on his face a gold tear should be placed  
To honor the million tears he's cried  
And the hurt in his eyes would show so everyone would know  
Concealed is a broken heart inside  
So build a statue and oh build it high so that all can see  
Then inscribe the World's Greatest Fool and name it after me
