

# Jack Harlow, Way Out (feat. Big Sean)

Shit is a jam  
Shit is a jam  
I can tell who's on the way out  
25 shadows check the pay out  
I ain't going home imma stay out  
Mu\*\*\* hate you when they lookin for a way out  
I just sit back and let it play out  
And she gon let me hit it  
And day now  
What you gonna say now?

My ex girl got a baby  
But she still let me stay now  
I got a Dallas ans an H Town boo
