Jack Johnson, I Got You

Back when all my little goals seemed so important Every pot of gold fill and full of distortion Heaven was a place still in space not in motion But soon

I got you I got everything I?ve got you I don?t need nothing More than you I got everything I?ve got you

We went walking through the hills
Tryin? to pretend that we both know
Maybe if we save up
We can build a little home
But then the hell storm came and yelled,
?You need to let go, you?ve got no control. No.?

I got you I got everything I?ve got you I don?t need nothing More than you I got everything I?ve got you

This weight?s too much alone Some days I can't hold it at all You take it on for me When tomorrow?s too much I?ll carry it all I?ve got you

And when tomorrow?s too much I?ll carry it all I got you

I got you I got everything I?ve got you I don?t need nothing More than you I got everything I?ve got you
