## Jack White, Lazaretto

My veins are blue and connected And every single bone in my brain is electric But I dig ditches like the best of 'em Yo trabajo duro Como en madera, ?y eso? Como en madera, ?y eso?

And even God herself has fewer plans than me But she never helps me out when my scan's for free, though She grabs a stick and then she pokes it at me When I say nothing, I say everything Yeah when I say nothing, I say everything

They put me down in a lazaretto Born rotten, bored rotten Making models of people I used to know Out of coffee and cotton And all of my illegitimate kids have begotten Thrown down to the wolves, made feral for nothing Quarantined on the Isle Of Man And I'm trying to escape any way that I can, oh Any way that I can, oh

I have no time left Time is lost No time at all, throw it in a garbage can And I shake God's hand I jump up and let her know when I can This is how I'm gonna do it

They wanna blow down the prison They're lighting fires with the cash of the masses And like the dough I don't fall down I'm so Detroit I make it rise from the ashes
