

# Jackie Lomax, No Reason

Got to get my head together  
Throw my clothes in a bag  
'Cause I can't go on forever  
My conversation is a drag  
Ain't got no reason to be happy  
Ain't got no reason to be sad  
But I just got reason to be mad

Catch a cab down to the station  
Jump a fast movin' train  
For some distant destination  
Won't be back this way again  
Ain't got no reason to be happy  
Ain't got no reason to be sad  
But I just got reason to be mad

Ain't got no reason

Ain't got no reason

If I ever get to see her  
I won't know what to say  
'Cause I still don't wanna leave her  
But my wife won't let her stay  
Ain't got no reason to be happy  
Ain't got no reason to be sad  
But I just got reason to be mad

Ain't got no reason
