

# Jackyl, Redneck Punk

I jumped straight off that trail today  
Ain't nobody better get in my way no  
Trail dust, sore butt, gotta get out of this 10 day rut

## CHORUS

Whoa, gitty up and go  
I'm a redneck punk  
Mean, red, better off dead  
I'm a redneck punk

Staring down the barrle of an old shotgun  
I can tell tonight's gonna be some fun  
Don't you step on my toes  
And you wan't find yourself with a bloody nose

## CHORUS

Hey you, long haired motherfuck  
Show me how you do

I live like a gypsy, I live like a dog  
Gotta hard enough time just doing without  
And nobody ever better run their fucking mouth

## CHORUS
