

# Jacob Miller, Suzy Wong

I took a trip to the China way  
Said I&#039;d stay just a day  
To my surprise, there to see  
Another love there for me

Suzy Wong she&#039;s a lover  
Her world are hot to discover  
Suzy Wong she&#039;s my baby  
I don&#039;t think I&#039;m crazy  
Suzy Wong

She always follow me wherever I go  
On to the circus and the movie show  
I always wonder why she love me so  
But I can&#039;t tell you, only Suzy know

Suzy Wong she&#039;s a mystery  
First love I ever had in history  
Suzy Wong she&#039;s my baby  
I don&#039;t think I&#039;m crazy
