

Jacob Sartorius, No Music

I don't know how you make the speakers shudder
with no music
with no music
I don't know how you make the room start spinning
how'd you do it?
how'd you do it?
you got me trying
and trying and tryna keep up
I think you could be the one
cause you got my heart dacning with no music

don't say you don't mean to
I know you do
it's not like me to mess with girls like you
can't get you outta my head
and I know it's all on me
you make me feel like I'm floating away slowly
but just can't get you outta my head
but the DJ went home a long time ago
and now a;; o see are tables and chairs

I don't know how you make the speakers shudder
with no music
with no music
I don't know how you make the room start spinning
how'd you do it?
how'd you do it?
you got me trying
and trying and tryna keep up
I think you could be the one
cause you got my heart dacning with no music

you push and you pull
you speed and you break
you making it hard for me to get away
and I just can't get you outta my head
you're hot and you're cold
you're shy and you're bold
you are good
and you're bad
and yu've got me
I'm sold
and just can't get you outta my head
see the silence is loud on this suburban street
in the room is a quiet storm

I don't know how you make the speakers shudder
with no music
with no music
I don't know how you make the room start spinning
how'd you do it?
how'd you do it?
you got me trying
and trying and tryna keep up
I think you could be the one
cause you got my heart dacning with no music
