

Jaden Smith, Summer

And i am ??????
Haliictid, got them tripping
Till i am sober

Got a show in Baha
More did and it;s a runer
Bough the mashrooms in
It's raining, baby
Tis about to thunder

Had a drink
But need another
Caise it's summer

Yeah, summer
I gor hitters in the suburbs
You so pretty
Niece to meet you
What's your numer?

I;ll pop a pill
And then we fuck into a slumber
And now my handprint on your ass
Because you sunburnt
