

# Jaden Smith, The Official ALMOST BYE

Laying down in my bed  
At 4 am we get up  
Let's take a drive, feel alive  
Let's just be together  
You got those eyes like the sky  
Pretty butterfly

Got the sunset on my mind  
Your body so divine  
So just call me when it's late  
Send a text  
I am coming straight to you  
Cause tyou been MIA
