

Jadyn Maria, Love Don't Love

I coulda said yes
but i didn't (but i didn't)
cuz i knew true love wasn't in it (wasn't in it)
could've given myself away
but love don't love that way

They said i don't know what i'm missin (what i'm missin)
but my friends can't make my decisions (my decisions)
i won't give myself away
cuz love don't love that way

(Chorus)
You gotta know what's real
love is so much deeper
than the way you feel
even when the moment says it's okay
love don't love that way
you gotta know what's true
you know there is something better waiting for you
even when the moment says it's okay
love don't love that way

(Love don't love don't love oh no love don't love that way)

Coulda said no
but ya didn't
cuz ya thought true love would be in it
now ya feel so far away
but love don't love that way
oh i know it's hard
to live with your decision
but there's not one thing
that cannot be forgiven
never turn your heart away
cuz God is love and
love don't love that way

(Chorus)

Love is patient
love is kind
love won't break your heart
love is measured
beyond words
that's what love is
love is patient
love is kind
love won't break your heart
love is measured
beyond words
that's what love is

(Chorus 2x)
