

# Jagged Edge, Hard

Hard!  
Hard!

[Chorus:]  
Every single night  
I've been without you girl  
Is just so hard

Gotta take a flight south  
Cause I know that I  
was too hard  
Shoulda been loving you (shoulda been loving)  
I shoulda been loving you (shoulda been loving)

[Verse 1:]  
Girl I hate to say, but I gotta get back my name  
I don't really hold my chain  
To have money enough to get on this plane  
And come and get my love  
I ain't leaving til I get my love  
Can you resist my heart and my soul?

[Hook 1:]  
I'm saying sorry now (saying sorry now)  
But I know that ain't gonna cut it  
So I'm changing now (so I'm changing now)  
Yes I am (yes I am)

[Chorus: 2X]  
Every single night  
I've been without you girl  
Is just so hard

Gotta take a flight south  
Cause I know that I was too hard  
Shoulda been loving you (shoulda been loving)  
I shoulda been loving you (shoulda been loving)

[Hook 2:]  
Really heh  
Oh oh oh ooh  
Really heh  
Oh oh oh ooh  
Really heh  
Oh oh oh ooh  
Really heh yeah

[Verse 2:]  
Ain't nobody ever loved me like you  
I just figured it out  
Maybe it's too late for me and you  
I just can't picture that  
(Hope it's not too late, Not too late for us)  
Sometimes I feel like  
Me and you's a must

[Hook 1:]  
I'm saying sorry now  
But I know that ain't gonna cut it  
So I'm changing now (I'm changing now)  
Yes I am (yes I am)

[Chorus: 2X]  
Every single night

Ive been without you girl  
Is just so hard

Gotta take a flight south  
Cause I know that I was too hard  
Shoulda been loving you (shoulda been loving)  
I shoulda been loving you (shoulda been loving)

[Bridge:]  
Shoulda been loving  
Shoulda been loving, loving you  
Shoulda been loving  
Shoulda been loving, loving you  
Shoulda been loving

[Ad-libs to fade]
