

Jagged Edge, Heartbreak

[Jagged Edge]

Can't take another heartbreak

(Why, why, why)

Why did you do the things you did

Knowing that I love you so baby

(Tell me why)

Tell me why, why did you turn around and leave me

Left me for dead baby

(Hurt me so)

Girl you hurt me so

Now I'm on my knees

And baby I'm crying

Tell me why

(Tell me why)

And baby tell me why

(Why, why, why)

And why

Yeah, yeah, yeah
