

# Jagged Edge, Lace You

Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Girl I can lace you  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh

If I can do it, I'll do it  
The way you want me to  
I know that I can work it right  
Get on it, get to it  
It ain't no need in frontin' you and me with just a lie, oh  
If you like it we'll do it just as often as you like  
Babe call me up, I'll start you up anytime  
Let me be the one who will tell you that I will lace you

[1] - Girl I can lace you  
If you like it non-stop  
Lick you to the last drop  
And you know I make it hot  
(Girl I can lace you, lace you, lace you)  
Make your dreams come true  
And you know in your heart I will

[Repeat 1]

If you say it, I'll do it  
Ain't no need for me to question you, girl it's your way  
Your clothes, just lose them  
All you need is the things you were born with, to get it on with  
I mean it, I'll prove it  
Cause anybody can say it I want to play it real safe  
If you know it like I know it baby  
Call my name and we can grind all night, oh

Once you get laced by me  
You never wanna leave  
Once you get laced by me  
You won't wanna, you won't wanna leave, leave

[Repeat 1 till end]
