

Jagged Edge, Leave Those Keys

Baby you can leave,
You can leave,
You can leave,
'cause I've been tired of you
And you tired of me
Don't forget one thing drop
Drop those keys
'cause I'm not tryin to hold you back
So go ahead wit all of that
And if you really wanna go, you can go
You already know there's the door, there's the door
Its too bad if you not 4 sho, not 4 sho
'cause I ain't wanna do it like this
But I'm loosing ? ? ? ? ? with your control

You're just scandalous,
U couldn't handle it
So give me back my things
Give me back my things,
It's over
U kept listening to them hataz,
So here's your walkin papers

Girl it's ova
Give me my things back
U can keep headed
Give me my keys back
U ain't gotta lie no more
We ain't seeing eye to eye
No more
Just give me my cd's
You can keep the movies
Aint no need to call
I'm moving on completely
U ain't gotta lie no more
We ain't seein eye to eye
No more
No more
No more

I thought it was me
It was me
It was me
When I be down on my knees sayin girl wont u leave
When I know that I am givin all I got
All I got
I damn near done broke my back
So go ahead with all of that
'cause if u really, really wanna know
Why I prefer that u just pack your things and go
I tried everything girl,
All I got was pain girl,
We both know that we need to be through yeah

You're just scandalous,
U couldn't handle it
So give me back my things
Give me back my things,
It's over
U kept listening to them hataz,
So here's your walkin papers

Girl it's ova
Give me my things back
U can keep headed
Give me my keys back
U ain't gotta lie no more
We ain't seeing eye to eye
No more
Just give me my cd's
You can keep the movies
Aint no need to call
I'm moving on completely
U ain't gotta lie no more
We ain't seein eye to eye
No more
No more
No more

I really gotta change my life
'cause I'm tired of livin like this
Seems like all we do is fight
Real love just ain't like this
Cant stay not another night
U know ur gonna miss my kiss
Hope u have a good life
I gotta say bye bye
Repeat 1x

Give me my things back
U can keep headed
Give me my keys back
U ain't gotta lie no more
We ain't seeing eye to eye
No more
Just give me my cd's
You can keep the movies
Aint no need to call
I'm moving on completely
U ain't gotta lie no more
We ain't seein eye to eye
No more
No more
No more
Repeat, fade
