

# Jagged Edge, So High

Yo sit back, relax  
Get your car jacked

[Verse 1:]

I was at the mall  
Getting fresh for the weekend  
When I caught a glance of some heavy tweekin  
Seen her straight from the back  
Couldn't wait for this girl to turn around  
Eyes was brown  
Had the skin perfect match that  
She round in the back you know I likes that  
Trying to floss like a movie  
Anything so she don't lose me

[Chorus:]

See I  
Feeling so high since I met you  
Been on cloud nine since I met you  
Loving my life since I met you  
I'm so high don't wanna come down  
I'm high, high, high...  
So high...  
I don't wanna come down

[Verse 2:]

Towards the end of the fall  
Different color trees is everywhere  
Its true beauty just take a stare  
You can't imagine what its like to see her (see her)  
And when shes gone I can't wait till we meet up  
This girl is like my drug I gotta re-up  
Cause without her I'm like nothing at all  
And she got me feeling...

[Chorus:]

See I  
Feeling so high since I met you  
Been on cloud nine since I met you  
Loving my life since I met you  
I'm so high don't wanna come down  
I'm high, high, high...  
So high... (I don't wanna come down)  
I don't wanna come down

[Verse 3:]

Now I'm feeling dizzy  
Now I'm feeling shady  
Like somebody spiked my drink looking crazy  
Situation she got me facing  
Hope shes using me  
Cause I want her really bad  
Now you know  
I'm feeling trapped  
Like I'm cracked, split open, and rolled up in a Philly  
I know you got me so high  
I don't wanna come down

[Chorus:]

See I  
Feeling so high since I met you  
Been on cloud nine since I met you  
Loving my life since I met you  
I'm so high don't wanna come down

I'm high, high, high... (got me high)  
So high... (I don't wanna, I don't wanna)  
I don't wanna come down  
[repeat]

I'm high, high, high...  
So high, high, high...  
I'm high, high, high...  
So high, high, high...
