

Jah Cure, Prison Walls

Behind these prison walls
Doing my paces
Doing my time
I am, Spending my restless nights
Visioning faces
Oh they all crying
Cryyyyyyyyyyying
Prison ah nuh bed a roses
The livity it makes me ball
I wish that jah could come and take us back in time
Cause I swear
That I can be a better man
Yes I swear, if only you could understand
The faith in me shall set me free reflection
The faith in me shall set me free reflection

Behind these metal bars
To jah jah im chanting
Pray for your love divine
Im oh so sorry I am
Deeply I am hurting
The price ordained to be mine
Impossible to see the changes, that I've made in my life
All they see is just the boy, they left be behind
And I swear, That I can be a better man
Yes I swear, if only you could understand
The faith in me shall set me free reflection
The faith in me shall set me free reflection

Don't judge me wrong
Cause now i am stronger than I was before
I was young and unwise
Didn't you hear my cry
Impossible to see the change
That I've made in my life
All they see is just the boy i left behind
Cause i swear
I can be a better man
Cause I swear if only you could understand
I swear
I can be a better man
And I swear (if only you could understand), I swear
The faith in me shall set me free reflection (reflection)
