

# Jake Bugg, Country Song

Gonna sing you an old country song, from the heart  
So I can cry your name and call you when I'm sad  
When you have gone, run so far from me in the trees so far

Walkin' down that old country lane, drops of rain  
Call upon the ones who call your name  
Will I see you again and please just come on back home to me  
So I'm not all alone

Gonna sing you an old country song, from the heart  
From the strings of this old rusty guitar
