

Jake Hoot, I Would've Loved You (feat. Kelly Clarkson)

You gave me every reason to feel like this
Now there's nothing you can do to change it
You know me better than anyone else
How far i am willn' to take it
I never meant it more than i do now
There's only one way i can say it

More than foremer always matters
Deepest unforgettable
With all that i am
With my heart wide open
For the rest of my life
I promise you
And i am gonna hate you as long and
As much as i would've loved you

You gave more than a night to some nobody
After i gave you all me
You should've known when it comes to me
Nothin' every temporary

I've never meant it more than i do now
This feelin' is gonna make i

More than foremer always matters
Deepest unforgettable
With all that i am
With my heart wide open
For the rest of my life
I promise you
And i am gonna hate you as long and
As much as i would've loved you
