

Jamelia, Stop

All that I have is all that youve given me
(ooh)
Did you never worry that Id come to depend on you
(oooh)
I gave you all the love I had in me
Now I find you lied and I cant believe its true
Oooh whoa oh
You better stop (stop)
Before you tear me apart
You better stop (stop)
Before you go and break my heart
Ooooh oooh oooh you better stop
Time after time I tried to walk away
But its not that easy,
When you soul is torn in two
So I just resigned myself to it everyday yeh
And now all that I can do is to leave it up to you aah oooh
Ooh whoa oh
You better stop (stop)
Before you tear me apart
You better stop (stop)
Before you go and break my heart
Ooooh oooh oooh you better stop
Ohh oooh whoa you better stop
If you love me
Now the time to be sorry
I wont believe that youd walk out on me baby
Ohhh yehhh
Oooh!
Ooh whoa oh
You better stop (stop)
Before you tear me apart
You better stop (stop)
Before you go and break my heart
No whoa whoa youd better stop, stop
Oooh whoa oh
Youd better stop, stop stop
Youd better stop, stop
