

# Jamelia, Thank You

[Verse 1:]

The fights, those nights  
I tried to pretend it don't hurt  
The way, I prayed  
Someday that you would love me  
Really, completely  
Just how I wanted it to be  
But no, so wrong  
Can't believe I stayed with you so long

[B-Chorus:]

You hit, you spit, you split, ever-y bit of me, yeah  
You stole, you broke, you're cold  
You're such a joke to me, yeah

[Chorus:]

For every last bruise you gave me  
For every time I sat in tears  
For the million ways you hurt me  
I just wanna tell you this  
You broke my world, made me strong  
Thank you  
Messed up my dreams, made me strong  
Thank you

[Verse 2:]

My head, near dead  
Just the way you wanted it  
My soul, stone cold  
Cos I was under you're control  
So young, so dumb  
Knew just how to make me succumb  
But I understand  
To make yourself feel like a man

[B-Chorus:]

You hit, you spit, you split, ever-y bit of me, yeah  
You stole, you broke, you're cold  
You're such a joke to me, yeah

[Chorus:]

For every last bruise you gave me  
For every time I sat in tears  
For the million ways you hurt me  
I just wanna tell you this  
You broke my world, made me strong  
Thank you  
Messed up my dreams, made me strong  
Thank you

[Middle eight:]

You coulda had it all babe  
It coulda been so right  
I woulda given you everything  
Morning through night  
Yeah, you taught me some lessons  
Those are my blessings  
That won't happen again  
Thank you

[Chorus till end]
