

# James Arthur, At My Weakest

it's a long night  
and a big crowd  
this lights look around for you

I step out side  
in the moonlight

...  
for you

could it be your eyes  
didn't know the  
I've been waiting for  
And waiting for  
when you're on my side  
everything's alright  
crazy, I am crazy for you

here I go  
down the road  
again, and again

...  
here I go  
when I feel  
some kind of way  
you feel the same

...  
at my weakness  
I fall, I fall for you

..  
at my weakness

it's a long night  
and a big crowd  
this lights look around for you  
for you  
And waiting for  
when you're on my side  
everything's alright  
crazy, I am crazy for you
