

# James Arthur, Roses (Feat. Emeli Sandé)

I could've chose anybody but I chose you  
Help me get better, you pull me right out of the blue  
And daddy don't like you but daddy n I never speak  
Every night when I wake up I need you to get back to sleep

Smells like roses to me  
Two young lovers at sea  
Tastes so bitter and so sweet  
You're my bang, together we go bang bang bang  
Bang bang bang  
Bang bang bang

You could've chose anybody but you chose me  
Hiding in bed since no one around us agrees  
And I feel romantic and since morning I've been acting wild  
I, I  
Shall we eat all the poison and leave all the questions behind  
I, I

Smells like roses to me  
Two young lovers at sea  
Tastes so bitter and so sweet  
You're my bang, together we go bang bang bang  
Bang bang bang  
Bang bang bang

And all the chemicals that love could hold make for a volatile love  
But stay with me  
Just stay with me  
And I never wanna lose you but I feel that closures will tear us apart  
But stay with me  
Stay with me  
Bang, bang, bang  
Bang, bang, bang  
Bang, bang, bang  
Bang, bang, bang

Smells like roses to me  
Two young lovers at sea  
Tastes so bitter and so sweet  
You're my bang, together we go bang bang bang
