

# James Arthur, You're Nobody 'Til Somebody Love

Long gone and fallen down but I'm loving how it taste  
I look around for desire, love run away  
Hold back, we're falling down, and I show you how it breaks  
If I can give it, I'll take it, all of the way

And I've got a lot of love tonight, babe

You're nobody 'til somebody loves you  
It's hard times when nobody wants you  
Fill in my cup, don't ever stop coming  
Get over top, I'll make it hard running

You're nobody 'til somebody loves you  
So cold heart, when nobody hols you  
Fill in my cup, don't ever stop coming  
Get over top, I'll make it hard running

The cold start coming down  
I was way above the place  
I wear it all for the day, now the day comes for me

When I look back we're falling down, you live with a break  
You always give it, I take it, all the way

We've still got so much to love, babe

You're nobody 'til somebody loves you  
It's hard times when nobody wants you  
Fill in my cup, don't ever stop coming  
Get over top, I'll make it hard running

You're nobody 'til somebody loves you  
So cold heart, when nobody hols you  
Fill in my cup, don't ever stop coming  
Get over top, I'll make it hard running

Don't you stop  
I am ready lady  
Don't you stop  
Take what's close to me  
I am ready lady

You're nobody 'til somebody loves you  
It's hard times when nobody wants you  
Fill in my cup, don't ever stop coming  
Get over top, I'll make it hard running

You're nobody 'til somebody loves you  
So cold heart, when nobody hols you  
Fill in my cup, don't ever stop coming  
Get over top, I'll make it hard running
