

# James Blake, Life Round Here (Feat. Chance The Rapper)

Part time love is the life 'round here  
We're never done  
Now we're at square one  
Life ain't been 'round here in a minute  
Here ain't been 'round my whole life  
And we waited too long  
Chaos been 'round for a minute  
Marketed, bottled it up  
But wear that fake smile like a cape  
Save yourself first, save yourself first

Part time love is the life 'round here  
We're never done  
Everything feels like touchdown on a rainy day  
Part time love is the life 'round here  
We're never done  
Everything feels like touchdown on a rainy day  
Now we're at square one  
And we waited too long  
So we're back to square one

Why every time I land in London, land of Lincoln all on my mind?  
I plan to plane it back after playin' a packed show in due time  
I'm 'round about I bought a round of English ale for my pals  
A bouncer sold a ounce of rubbish weed to me for like 20 pounds  
I think my english's getting real real bad  
Cause this dumb bitch said I'm real real bad  
No sprechen sie Dumb but I'm real, real good  
Dark skinned Mike but I still feel bad  
I'm a chill pill addict  
I wonder if God's still magic  
I wonder if Nas stillmatic  
Down under the north it's still havoc  
Why I run around wonderin', wanderin', ponderin' life  
Life 'round here, when  
Life ain't really been 'round here in some times  
Sometimes it's no one 'round here

Part time love is the life 'round here  
We're never done  
Now we're at square one  
Life ain't been 'round here in a minute  
Here ain't been 'round my whole life  
And we waited too long  
Chaos been 'round for a minute  
Marketed, bottled it up  
But wear that fake smile like a cape  
Save yourself first, save yourself first

I ain't been 'round here in a minute  
But you ain't been 'round a whole lot  
My flesh went through the peoples in this peephole  
And said the keyhole and kept the door locked  
Part time love is the life 'round here  
And wear that fake smile like a cape  
Save yourself first, save yourself first  
Part time love is the life 'round here  
We're never done...  
Save yourself first
