

James Blake, Mile High (feat. Travis Scott and Metro Boomin)

don't wanna see me by yourself
by yourself
by yourself
by yourself
by yourself

we on a drive, looped in
two seat ride, coupled in
who gon' slide?
who's in?
big rocks around of 10
Fleetwood down, new sand
two seat ride, coupled in
don't leave around loose ends
don't be around new friends
