

James Blake, (Pick Me Up) Euphoria (ft. Labrinth)

When there's no trust
Quite like us
In this whole world (In this world)
When there's no control
Over your state
When you think it's love
And you're all caught up
Need to escape (like yesterday)
Am I gonna get in the way
Of sweet relief

I have packed my bags and I am ready (3x)
I'm ready to go
Just take me anywhere

Pick me up, drop me off
Ohhh
To kingdom come, Euphoria
Ohhh
Pick me up, drop me off
Ohhh
To Valhalla, Euphoria
Ohh
Pick me up, drop me off
(I wish I could take myself)
Ohhh
To kingdom come, Euphoria
Ohhh
