

# James Blake, Retrograde

You're on your own,  
In a world you've grown  
Few more years to go,  
Don't let the hurdle fall  
So be the girl you loved,  
Be the girl you loved

I'll wait,  
So show me why you're strong  
Ignore everybody else,  
We're alone now  
I'll wait,  
So show me why you're strong  
Ignore everybody else,  
We're alone now

Suddenly I'm hit  
Is this darkness of the dawn  
And your friends are gone  
When you friends won't come  
So show me where you fit  
So show me where you fit

I'll wait,  
So show me why you're strong  
Ignore everybody else,  
We're alone now  
We're alone now  
We're alone now  
I'll wait  
We're alone now  
We're alone now  
I'll wait  
We're alone now  
We're alone now  
We're alone now  
We're alone now

Suddenly I'm hit  
Is this darkness of the dawn  
And your friends are gone  
When you friends won't come  
So show me where you fit  
So show me where you fit
