

# James Blunt, Glow

Under this skin  
It's playing like a drum beat in the dark  
The light within  
Is burning somewhere deep down in my heart  
Let the feelings out  
When the lights go down  
Can you feel it now?

Silver lines across the skies  
Oh, I hope that this night never ends  
Child of mine, wipe your eyes  
'Cause we're all chasing time in the end  
But when the lights burn low  
We'll just glow-oh-oh, oh-oh-oh, oh

The air, so thin  
I'm floating like star above the earth  
The state I'm in  
It's like I'm watching my whole life play in reverse  
Let the feelings out  
When the lights go down  
Can you feel it now?

Silver lines across the skies  
Oh, I hope that this night never ends  
Child of mine, wipe your eyes  
'Cause we're all chasing time in the end  
But when the lights burn low  
We'll just glow-oh-oh, oh-oh-oh, oh

We'll just glow  
Just glow-oh-oh, oh-oh-oh, oh  
We'll just glow

Silver lines across the skies  
Oh, I hope that this night never ends  
But when the lights burn low
