

# James Blunt, I'll Be Your Man

So many voices  
So many noises  
Invisible wires keeping us apart  
So many choices  
But they're all disappointments  
And they only steal me away from you  
Climb into our private bubble  
Let's get into all kinds of trouble

Chorus:  
Slide over here let your hands feel the way  
There's no better method to communicate  
Girl stop your talking  
Words just get in the way  
I'll be your man  
So baby come over  
From the end of the sofa  
I'll be your man  
I'll be your man

So many faces  
Staring at their shoelaces  
When all anyone want is to be seen  
So tonight let's be honest  
We all want to be wanted  
And darlin' you've got me wantin' you  
Everything that I'm trying to say  
Just sounds like a worn out cliché

Chorus:  
Slide over here let your hands feel the way  
There's no better method to communicate  
Girl stop your talking  
Words just get in the way  
I'll be your man  
So baby come over  
From the end of the sofa  
I'll be your man  
I'll be your man

What are we all looking for?  
Someone we just can't ignore  
It's real love dripping from my heart,  
You've got me tripping  
What are we all looking for?

Ooooooh....

Chorus:  
Slide over here let your hands feel the way  
There's no better method to communicate  
Girl stop your talking  
Words just get in the way  
I'll be your man  
(Slide over here)

Slide over here let your hands feel the way  
There's no better method to communicate (slide over here)  
Girl stop your talking  
Words just get in the way  
I'll be your man

So baby come over  
From the end of the sofa

I'll be your man  
I'll be your man  
I'll be your man  
I'll be your man  
I'll be your man  
I'll be your man
