James Blunt, In A Little While

(U2 cover)

In a little while Surely you'll be mine In a little while I'll be there

In a little while This hurt will hurt no more I'll be home, love

When the night takes a deep breath And the daylight has no end If I crawl, if I come crawling home Will you be there

In a little while I won't be blown by every breeze Friday night running To Sunday on my knees

That girl, that girl She's mine And I've know her since

Since she was a little girl With Spanish eyes Oh, when I saw her In a pram they pushed her by

My, how you've grown Well it's been It's been a little while

Slow down my bleeding heart A man dreams one day to fly A man takes a rocketship into the sky He lives on star that's dying in the night And follows in the trail The scatter of light

Turn it on Turn it on You turn me on

Slow down my bleeding heart Slowly, slowly love Slow down my bleeding heart Slowly, slowly love Slow down my beating heart Slowly, slowly love.
