

James Blunt, In Flowers

You're A butterfly
and you want to be
in flowers
and you want to meet
Dalai lama
reach nirvana

because I love you love me
I just want you to be
in flowers
with me

I'm A little child
and I want to be
held in your arms
any fool can see
that it's nothing new
that I need you

because I love you love me
I just want you to see
the little child in me

there's A butterfly that's in my heart
it lives in me when we're apart
but preferably you stay with me
because I love you love me
I just want you to be the butterfly in me
