

James Blunt, Love Love Love

Im not looking for us, and neither should you
absolutely gorgeous
then nothing I say is true
you wont find yourself in these guilty eyes.
cause I love anybody whos fool enough to believe,
and youre just one of many who broke their heart on me
and so I say I dont love you,
though it kills me.
Its a lie that sets you free
love love love
I cant take your love love love
and so I say I dont love you,
though it kills me.
Its a lie that sets you free
I will wrap my body in other womens arm
make love in a hurry
feel better than I am.
Hope you find yourself in someone elses eyes
cause I love anybody fool enough to believe,
and youre just one of many who broke their heart on me
and so I say I dont love you,
though it kills me.
Its a lie that sets you free
love love love
I cant take your love love love
and so I say I dont Love you,
cause I love anybody fool enough to believe,
and youre just one of many who broke their heart on me
and so I say I dont love you,
though it kills me
cause its a lie
cause I love anybody fool enough to believe,
and youre just one of many who broke their heart on me
and so I say I dont love you,
though it kills me.
Its a lie that sets you free
It sets you free
