

# James Blunt, Shine On

Are they calling for  
Our last dance  
I see it in your eyes  
In your eyes

Same old moves  
For a new romance  
I could use  
The same old lies  
But I'll sing

Shine on, just shine on  
Close your eyes and they'll all be gone  
They can scream and shout  
That they've been sold out  
But it paid for the cloud  
That we're dancing on  
So shine on, just shine on  
With your smile just as bright as the sun  
'Cause they're all just slaves  
To the Gods they've made  
But you and I  
Just shone  
Just shone

And when silence greets  
My last goodbye  
The words I need  
Are in your eyes  
And I'll sing

Shine on, just shine on  
Close your eyes and they'll all be gone  
They can scream and shout  
That they've been sold out  
But it paid for the cloud  
That we're dancing on  
So shine on, just shine on  
With your smile just as bright as the sun  
'Cause they're all just slaves  
To the Gods they've made  
But you and I  
Just shone  
Just shone

So shine on, just shine on  
Close your eyes and they'll all be gone  
They can scream and shout  
That they've been sold out  
But it paid for the cloud  
That we're dancing on  
So shine on, just shine on  
With your smile just as bright as the sun  
'Cause they're all just slaves  
To the Gods they've made  
But you and I  
Just shone  
Just shone
