James Blunt, Shine On

Are they calling for Our last dance I see it in your eyes In your eyes

Same old moves
For a new romance
I could use
The same old lies
But I'll sing

Shine on, just shine on
Close your eyes and they'll all be gone
They can scream and shout
That they've been sold out
But it paid for the cloud
That we're dancing on
So shine on, just shine on
With your smile just as bright as the sun
'Cause they're all just slaves
To the Gods they've made
But you and I
Just shone
Just shone

And when silence greets My last goodbye The words I need Are in your eyes And I'll sing

Shine on, just shine on
Close your eyes and they'll all be gone
They can scream and shout
That they've been sold out
But it paid for the cloud
That we're dancing on
So shine on, just shine on
With your smile just as bright as the sun
'Cause they're all just slaves
To the Gods they've made
But you and I
Just shone
Just shone

So shine on, just shine on
Close your eyes and they'll all be gone
They can scream and shout
That they've been sold out
But it paid for the cloud
That we're dancing on
So shine on, just shine on
With your smile just as bright as the sun
'Cause they're all just slaves
To the Gods they've made
But you and I
Just shone
Just shone
