

# James Bonamy, Naked To The Pain

(D. Pfrimmer/R. Wold)

When I promised you  
That I would be strong  
It was not a lie  
It's just that I was wrong  
There's no way I'd ever guess  
I'd be so defenseless

I have walls against the wind  
I find shelter in my friends  
There's some comfort in the wine  
If I can sleep  
It buys me time  
I can duck out of the rain  
But there's no hiding from the truth  
I'm still naked to the pain of losin' you

I can't build a door  
That you can't drift through  
When I close my eyes  
I still dream of you  
Don't you know when you love someone  
There's no protection

I have walls against the wind  
I find shelter in my friends  
There's some comfort in the wine  
If I can sleep  
It buys me time  
I can duck out of the rain  
But there's no hiding from the truth  
I'm still naked to the pain of losin' you

I can duck out of the rain  
But there's no hiding from the truth  
I'm still naked to the pain of losin' you
