

# James Smith, Tell Me That You Love Me

No more lazy mornings with you lying next to me,  
No more late night talking before we lay our heads to sleep  
No more looking in the mirror with you stepping on my feet  
Without your arms around my shoulders  
I've lost the strength to be  
Come and set me free

will you stay with me tonight  
and pretend it's all alright  
tell me that you used to love me

will you whisper in my ear  
those 3 words I wanna hear  
tell me that you love me  
the way you used to love me

even if you don't mean it  
will you say I'm still the one  
hide the way that you feeling and make believe I still belong  
and nothing changed since you've gone

will you stay with me tonight  
and pretend it's all alright  
tell me that you used to love me

will you whisper in my ear  
those 3 words I wanna hear  
tell me that you love me  
the way you used to love me

one last time to hold you  
and one last time to tell you  
all the things I should've said before  
but just once more

will you stay with me tonight  
and pretend it's all alright  
tell me that you used to love me

will you whisper in my ear  
those 3 words I wanna hear  
tell me that you love me  
the way you used to love me
