

# Jamie Foxx, Slow

Oooh oooooh ooohohohhhooo (oh oh oh oh)  
Oooh oooooh ooohohohhhooo (oh oh oh oh)  
Theres so much that I wanna do, to you (you you you you)  
First you gotta step into this room (room room room)  
Look into my eyes  
Imma look right into yours  
Cut the lights off  
But dont you close the door  
Tonight Im gonna make my hallways back (?) or you (?)  
I pull my shirt off  
Pull your jeans off  
Oh baby take your time  
Now turn around  
As our bodies catch the mirror  
Let me grind into the song  
Imma do you all night long  
And now we go slow, slow, slow (you you you)  
And now we go slow, slow, slow  
Those other guys dont get it like I get it  
Cause Im with it, I get it  
And they just wanna hit it  
But I hear you, I pay attention  
Not finished till youre finished  
Youre gonna get yours, imma get mine (imma get mine, imma get mine)  
And imma take my time (time)  
And wine my baby slow  
Show me you like that slow,  
Sh-sh-sh-show me you like that slow  
Show me you like that slow, slow, slow, slow slow  
Sh-sh-sh-show me you like that slow, slow slow slow slow  
Baby imma do you till you lose your mind  
Baby youre so oeh oeh oeh oeh oeh so freakin fine  
Ehey, imma do your body like a rollercoaster  
So hold on tight lay on my shoulder  
And slowly but surely imma break that body like a cake  
Youre gonna sweat these sheets out  
Imma mess your hair up  
And imma wild out on ya like I dont give a fuck  
Until its three oclock, four oclock, five oclock six  
And I gotta take my time with you  
Cause your shit is the shit  
And now we go slow, slow, slow (you you you)  
And now we go slow, slow, slow  
Those other guys dont get it like I get it  
Cause Im with it, I get it  
And they just wanna hit it  
But I hear you, I pay attention  
Not finished till youre finished  
Youre gonna get yours, imma get mine (imma get mine, imma get mine)  
And imma take my time (time)  
And wine my baby slow  
Show me you like that slow,  
Sh-sh-sh-show me you like that slow, slow slow slow slow  
Show me you like that slow,  
Sh-sh-sh-show me you like that slow, slow slow slow slow  
Oooohh  
Thats it here we go  
Put my love in the air  
If the curtains are open I dont care its there upstairs  
I can do home alone if its there on the staircase  
Baby let me make your day
