JAMIE LYNN HART, DOWN

I am tired
Of expending the energy
On something
On someone
Who doesn?t prove the worthy
It seems to me
You don?t even thing of anyone else
But yourself
So I refuse to
I will not loose my sleep
Over other things you never do

So, no, no, no, no You not gonna break me down You not gonna change my mood It seems like everyone you So, no, no, no, no You not gonna break me down!
